Profile

Safety Technician with 1 year of experience in implementing and monitoring safety procedures to ensure a secure work environment. Adept at identifying potential hazards, conducting risk assessments, and providing training on safety protocols. Committed to maintaining compliance with industry regulations, while continuously seeking opportunities to enhance workplace safety standards.

Employment History

Safety Technician at Wyoming Safety Consulting LLC, WY

Apr 2023 - Present

- Successfully conducted safety audits for over 50 client companies in Wyoming, resulting in a 30% reduction in workplace accidents and injuries within the first year of implementation.
- Developed and implemented comprehensive safety training programs for more than 200 employees across various industries, leading to a 40% decrease in safety violations and a 20% improvement in overall safety performance.
- Managed the investigation and resolution of over 100 workplace safety incidents, ensuring thorough documentation, corrective actions, and compliance with state and federal regulations.
- Spearheaded the adoption of advanced safety technologies and equipment for clients, resulting in a 25% reduction in workers' compensation claims and associated costs.

Safety Technician Assistant at J&L Risk Management Consultants, Inc., WY

Sep 2022 - Feb 2023

- Successfully reduced workplace accidents by 30% within the first year of employment by implementing comprehensive safety training programs and conducting regular safety audits for all employees at J&L Risk Management Consultants, Inc., WY.
- Streamlined the incident reporting process, resulting in a 50% decrease in response time for addressing safety hazards and ultimately contributing to a safer work environment for over 200 employees at J&L Risk Management Consultants, Inc., WY.
- Conducted thorough evaluations of safety equipment and protocols, leading to the identification and replacement of outdated or non-compliant equipment, improving overall safety compliance by 25% during my tenure at J&L Risk Management Consultants, Inc., WY.
