## Profile

SAP Project Manager with 5 years of experience in successfully spearheading end-to-end implementations, upgrades, and enhancements of SAP solutions across diverse industries. Proficient in project planning, resource allocation, risk mitigation, and stakeholder management to deliver timely and cost-effective solutions. Proven track record of collaborating with cross-functional teams and fostering a culture of continuous improvement to achieve operational excellence and drive business value.

## Employment History

### SAP Project Manager at Cognizant Technology Solutions, TN

Mar 2023 - Present

- Successfully managed the implementation of an SAP solution for a major client, resulting in a 30% increase in operational efficiency and a 25% reduction in costs.
- Oversaw the upgrade of an existing SAP system for a large organization, improving system performance by 40% and reducing downtime by 50%.
- Led a cross-functional team in the successful migration of a client's legacy system to SAP S/4HANA, streamlining their business processes and increasing overall productivity by 35%.
- Implemented an SAP-based supply chain management system for a global manufacturing company, optimizing their inventory management and reducing lead times by 20%.

### Associate SAP Project Manager at Accenture, TN

Aug 2018 - Jan 2023

- Successfully led a team of 10 consultants in the implementation of SAP S/4HANA for a major manufacturing client, resulting in a 20% increase in operational efficiency and a 15% reduction in production costs.
- Streamlined the client's supply chain processes by integrating SAP Ariba, leading to a 25% reduction in procurement lead time and an annual cost savings of \$1 million.
- Managed the successful migration of a legacy SAP system to SAP HANA for a large retail client, improving system performance by 30% and reducing downtime by 50%.
- Coordinated and executed a comprehensive SAP training program for over 200 end-users across multiple business units, contributing to a 90% user adoption rate within the first three months of go-live.
