Profile

Dedicated School Counselor with 2 years of experience in offering comprehensive support to students in academic, social, and emotional development. Skilled in implementing targeted interventions and fostering positive relationships with students, faculty, and parents. Committed to promoting a safe and inclusive learning environment, while effectively addressing students' individual needs and goals. Passionate about empowering students to realize their full potential and achieve personal and academic success.

Employment History

School Counselor at Arizona School Counselors Association, AZ

Mar 2023 - Present

- Implemented a comprehensive school counseling program that resulted in a 25% increase in graduation rates and a 20% decrease in disciplinary referrals within two years.
- Developed and led a successful anti-bullying campaign, reducing incidents of bullying by 30% and creating a more inclusive and supportive school environment for all students.
- Collaborated with teachers and administrators to create a targeted intervention program for at-risk students, resulting in a 40% improvement in academic performance and a 50% reduction in dropout rates.
- Secured over \$100,000 in grant funding to support mental health resources and initiatives, allowing for the implementation of a school-wide social-emotional learning curriculum and professional development opportunities for staff.

Assistant School Counselor at Flagstaff Unified School District, AZ

Aug 2021 - Feb 2023

- Successfully implemented a comprehensive school counseling program, resulting in a 25% increase in student engagement and a 15% decrease in disciplinary referrals over a two-year period.
- Facilitated a 10% improvement in academic performance for at-risk students through targeted interventions, including individual counseling, group sessions, and parent-teacher collaboration.
- Developed and led multiple workshops and training sessions for faculty and staff, enhancing their understanding of mental health issues and providing tools to support student well-being, leading to a 20% reduction in reported student stress levels.
- Coordinated with community organizations to provide additional resources and support for students and families, resulting in a 30% increase in the number of students accessing mental health services outside of school.
