PROFILE

Dedicated School Librarian with 2 years of experience in fostering a love for reading and learning among students. Demonstrates proficiency in collection development, information literacy instruction, and collaboration with teachers to support curriculum objectives. Employs strong organizational and interpersonal skills to create an inclusive and engaging library environment that promotes student success. Committed to staying current with educational trends, technologies, and best practices in library services.

EMPLOYMENT HISTORY

- School Librarian at Hawaii State Public Library System, HI**
May 2023 - Present
 - Implemented a successful summer reading program for over 500 students, resulting in a 25% increase in library attendance and a 15% increase in overall reading levels among participants.
 - Established a partnership with local schools to develop a comprehensive information literacy curriculum, leading to a 20% improvement in research skills among students and increased collaboration between library staff and educators.
 - Secured a \$50,000 grant to upgrade the library's technology infrastructure, including purchasing new computers, e-readers, and tablets, as well as updating the library's digital resources.
 - Organized and hosted an annual community literacy event, attracting over 1,000 attendees and featuring local authors, workshops, and panel discussions, which helped raise awareness of the library's services and resources.
- Assistant School Librarian at Punahou School Buff & Blue Library, HI**
Aug 2021 - Mar 2023
 - Successfully managed the cataloging and organization of over 10,000 books and resources in the Punahou School Buff & Blue Library, enhancing the efficiency of the library's system and making it easier for students and staff to locate materials.
 - Developed and implemented an engaging and interactive library orientation program for over 500 incoming students, resulting in a 30% increase in student library usage and fostering a greater appreciation for the library's resources and services.
 - Spearheaded a collaboration with faculty members to create a comprehensive research skills curriculum, which was implemented in over 20 classes and led to a significant improvement in students' research abilities and overall academic performance.
