Profile

Security Analyst with 2 years of experience in identifying, investigating, and mitigating potential cyber threats. Proficient in vulnerability assessments, security audits, and incident response. Adept at utilizing various tools and technologies to strengthen network security and safeguard sensitive data. Strong analytical and communication skills, with a proven track record of collaborating with cross-functional teams to enhance overall security posture.

Employment History

Security Analyst at Iron Shield Security, WY

Mar 2023 - Present

- Successfully implemented a comprehensive cybersecurity strategy for a major client, resulting in a 45% reduction in security incidents and breaches within the first six months of deployment.
- Conducted a thorough risk assessment for a large financial institution, identifying critical vulnerabilities and recommending improvements that led to a 30% decrease in potential financial exposure due to cyber threats.
- Developed and delivered customized security training programs for over 200 employees across multiple organizations, increasing overall security awareness and contributing to a 25% reduction in successful phishing attacks.

Junior Security Analyst at Bison Cybersecurity Solutions, WY

Aug 2021 - Jan 2023

- Successfully detected and mitigated 97% of potential security threats, resulting in a 35% reduction in incident response times during the first year of employment at Bison Cybersecurity Solutions, WY.
- Implemented a comprehensive vulnerability assessment program that identified and resolved over 250 high-risk vulnerabilities across client systems, leading to a 50% improvement in overall system security.
- Streamlined the security incident reporting process, resulting in a 40% increase in efficiency and a 30% reduction in response time to critical incidents.
- Conducted extensive threat intelligence research, which led to the identification and prevention of 15 advanced persistent threat (APT) attacks targeting client networks, ensuring business continuity and minimizing potential financial losses.
