PROFILE

Results-driven Senior Consultant with 5 years of experience providing strategic solutions and driving business growth across multiple industries. Proven expertise in project management, process improvement, and data analysis, ensuring client satisfaction and successful project delivery. Adept at collaborating with cross-functional teams, fostering innovation and implementing best practices to achieve optimal performance. Strong communicator and problem solver, dedicated to helping businesses achieve their goals by leveraging data-driven insights and industry knowledge.

EMPLOYMENT HISTORY

● Senior Consultant at KPMG, LA

Mar 2023 - Present

- Led a team of 10 consultants to successfully complete a \$2 million digital transformation project for a major client, resulting in a 25% increase in operational efficiency and a 15% reduction in costs.
- Managed a \$1.5 million cybersecurity risk assessment project for a Fortune 500 company, identifying over 100 critical vulnerabilities and recommending actionable solutions that reduced the client's overall risk exposure by 30%.
- Developed and executed a comprehensive change management strategy for a large-scale ERP implementation, leading to a seamless transition for the client's 5,000+ employees and a 20% improvement in system adoption rates.

● Associate Consultant at Deloitte, LA

Jul 2018 - Feb 2023

- Led a team of 5 in redesigning the supply chain process for a major retail client, resulting in a 20% reduction in lead time and an annual cost savings of \$1.5 million.
- Managed a \$3 million budget for a large-scale digital transformation project, ensuring timely delivery and a 15% reduction in overall project costs through effective resource allocation and vendor negotiations.
- Developed and implemented a new data analytics strategy for a healthcare client, increasing patient satisfaction scores by 25% and reducing patient wait times by 30%.
