

Lilias Brooner

Senior Interior Designer

Profile

A Senior Interior Designer with 5 years of experience in creating visually appealing, functional, and innovative interior spaces. Proficient in all phases of design, including conceptualization, space planning, and project management. Demonstrated success in collaborating with architects, contractors, and clients to deliver exceptional results on-time and on-budget. Adept at leveraging strong communication skills and keen eye for details to exceed client expectations and develop lasting relationships. Continuously stays updated on industry trends and best practices to drive creativity and innovation in design projects.

Employment History

Senior Interior Designer at Lavallee Brensinger Architects, NH

Apr 2023 - Present

- Successfully led the design and execution of a 50,000 sq. ft. office space renovation project for a major client, resulting in a 20% increase in the client's workplace efficiency and a 15% reduction in energy consumption.
- Developed and implemented an innovative interior design strategy for a new 100-bed healthcare facility, incorporating evidence-based design principles that contributed to a 30% reduction in patient stress levels and a 10% improvement in patient satisfaction scores.
- Mentored and supervised a team of 5 junior interior designers, providing guidance and support that led to a 25% increase in their individual productivity and a 100% retention rate within the firm over a two-year period.

Interior Designer II at Northpoint Design, NH

Jul 2018 - Mar 2023

- Successfully redesigned and renovated over 50 residential and commercial spaces within two years, resulting in a 35% increase in client referrals and a 20% growth in revenue for Northpoint Design.
- Managed and completed a high-profile commercial project with a budget of \$1.5 million, which was delivered on time and within budget, leading to a 15% increase in new business contracts for the company.
- Implemented cost-effective sourcing strategies that reduced material expenses by 25%, allowing Northpoint Design to offer more competitive pricing to clients without compromising on quality or design aesthetics.
- Streamlined internal processes and communication within the design team, leading to a 30% increase in overall project efficiency and a reduction in average project completion time by three weeks.
