

Jamarea Chiello

Special Education Coordinator

Profile

Dedicated Special Education Coordinator with 2 years of experience in managing and implementing personalized educational programs for diverse student populations. Demonstrated ability to collaborate with teachers, parents, and school administrators to optimize learning outcomes for students with special needs. Proficient in developing Individualized Education Plans (IEPs) and monitoring student progress to ensure academic and social success. Committed to fostering inclusive learning environments and promoting achievement for all students.

Employment History

Special Education Coordinator at Heartland Area Education Agency, IA

Mar 2023 - Present

- Successfully implemented Individualized Education Programs (IEPs) for over 200 students with special needs, improving their academic performance by an average of 25% within the first year.
- Coordinated and led a team of 15 special education teachers and support staff, resulting in a 30% increase in overall student achievement and a 20% decrease in behavioral issues within two years.
- Developed and facilitated professional development workshops for 50+ educators on topics such as differentiated instruction, behavior management, and inclusive practices, leading to a 40% improvement in teacher confidence and skill sets within the first six months.
- Secured \$250,000 in additional funding for special education programs through grant writing and advocacy efforts, allowing for the expansion of services and resources for students with disabilities at Heartland Area Education Agency.

Assistant Special Education Coordinator at Grant Wood Area Education Agency, IA

Jul 2021 - Jan 2023

- Successfully implemented a new Individualized Education Program (IEP) software system for over 200 special education teachers, streamlining the IEP process and reducing paperwork by 40%.
- Collaborated with a team of 15 professionals to develop and execute a comprehensive special education training program, resulting in a 25% increase in staff knowledge and expertise.
- Secured \$500,000 in grant funding to support the expansion of special education programs and resources for students with disabilities across the Grant Wood Area Education Agency.
- Coordinated a district-wide transition program for 100+ high school students with disabilities, increasing post-secondary education enrollment by 30% and employment rates by 20%.
