Profile

Dedicated Special Education Teacher Assistant with 1 year of experience providing personalized support to students with diverse learning needs. Skilled in fostering inclusive learning environments, implementing tailored educational strategies, and collaborating closely with teachers and specialists to optimize student success. Committed to enhancing academic, emotional, and social growth for all learners.

Employment History

Special Education Teacher Assistant at Madonna School & Community-Based Services, NE

Feb 2023 - Present

- Successfully implemented personalized learning plans for 15 students with varying disabilities, leading to a 25% improvement in their academic performance and social skills within one academic year.
- Collaborated with a team of 5 special education teachers to develop and execute an inclusive curriculum, resulting in a 30% increase in the participation of students with disabilities in mainstream school activities and events.
- Facilitated the training of 20 school staff members in the use of assistive technology devices, enabling more effective communication and learning support for students with disabilities, and contributing to a 40% reduction in behavioral incidents in the classroom.

Special Education Paraprofessional at ESU 13, NE

Sep 2022 - Jan 2023

- Successfully assisted in the development and implementation of Individualized Education Programs (IEPs) for over 50 students with special needs, resulting in a 90% achievement rate of personalized learning goals.
- Collaborated with a team of 8 special education teachers and support staff to create and maintain an inclusive learning environment, leading to a 25% increase in student engagement and participation in mainstream classrooms.
- Provided one-on-one support to 15 students with Autism Spectrum Disorder, implementing behavior intervention plans that led to a 40% reduction in disruptive behaviors and a 35% improvement in social skills.
- Organized and executed a school-wide disability awareness event, engaging over 200 students and staff members in interactive workshops and discussions, which increased understanding and acceptance of students with special needs by 30%.
