PROFILE

Dedicated Staff Nurse with 1 year of experience providing high-quality patient care in fast-paced hospital settings. Proficient in various nursing procedures, including patient assessment, care planning, and medication administration. Demonstrates strong communication and critical thinking skills, along with a commitment to continued professional development and growth. Passionate about delivering compassionate care and contributing to a positive patient experience.

EMPLOYMENT HISTORY

● Staff Nurse at Texas Health Resources, TX

Apr 2023 - Present

- Successfully managed the care of over 1,500 patients annually, ensuring timely and accurate administration of medications, treatments, and nursing interventions in accordance with hospital policies and procedures.
- Achieved a 98% patient satisfaction rate by consistently providing compassionate and high-quality care, addressing patient concerns promptly, and collaborating effectively with interdisciplinary healthcare team members.
- Reduced medication errors by 35% through the implementation of a new double-check system and staff education initiatives, ultimately contributing to improved patient safety and outcomes within the unit.

● Registered Nurse at St. David's HealthCare, TX

Jul 2022 - Feb 2023

- Successfully managed the care of over 1,500 patients annually, maintaining a high-quality standard and ensuring patient satisfaction scores consistently exceeded 90%.
- Implemented a new electronic health record system that increased efficiency, leading to a 15% reduction in medication errors and a 20% decrease in patient wait times.
- Trained and mentored 20 new nursing staff members, resulting in a 25% increase in overall team performance and contributing to St. David's HealthCare being recognized as a top-performing hospital in Texas.
