EMPLOYMENT HISTORY

● State Tested Nursing Assistant at Allied Health Career Training, CO

Mar 2023 - Present

- Successfully assisted 120+ patients daily in their activities of daily living, ensuring their comfort, safety, and well-being at Allied Health Career Training, CO.
- Streamlined the documentation process for patient care, reducing paperwork time by 30% and allowing for more efficient and accurate reporting to nursing staff and physicians.
- Implemented a new communication system between nursing assistants and nursing staff, resulting in a 25% decrease in response time for addressing patient needs and concerns.

● Nursing Assistant Trainee at Front Range Community College, CO

Sep 2022 - Jan 2023

- Successfully completed 150 hours of hands-on clinical training at a local healthcare facility, gaining valuable experience in patient care and enhancing skills in communication, teamwork, and time management.
- Assisted in the care of over 50 patients during the training period, including monitoring vital signs, assisting with activities of daily living, and providing emotional support, thereby contributing to improved patient satisfaction and overall well-being.
- Achieved a 95% pass rate on the final exam, demonstrating proficiency in nursing assistant knowledge and skills, and earning certification as a Nursing Assistant Trainee.
