Profile

Dedicated Supply Coordinator with 1 year of experience in managing inventory, streamlining logistics, and optimizing supply chain processes. Adept at implementing cost-effective strategies to enhance efficiency and ensure timely delivery of goods. Strong analytical and communication skills, with a proven track record of collaborating with cross-functional teams to achieve organizational goals.

Employment History

Supply Chain Coordinator at Granite State Manufacturing, NH

Apr 2023 - Present

- Successfully reduced lead times by 25% through the optimization of inventory management processes and the implementation of a new supplier evaluation system, resulting in increased customer satisfaction and on-time delivery rates.
- Streamlined the procurement process by implementing a centralized purchasing system, leading to a 15% reduction in purchasing costs and improving overall efficiency in the supply chain department.
- Spearheaded a cross-functional team that identified and resolved bottlenecks in the production process, leading to a 10% increase in output and contributing to a 5% growth in annual revenue for Granite State Manufacturing.

Junior Supply Chain Coordinator at Turbocam International, NH

Aug 2022 - Feb 2023

- Successfully managed a 15% increase in production demand within a six-month period, resulting in a \$2 million revenue growth for Turbocam International, NH.
- Streamlined the procurement process by implementing a new supplier evaluation system, leading to a 20% reduction in lead times and a 10% cost savings on raw materials.
- Developed and executed an inventory management strategy that reduced stock discrepancies by 30% and increased inventory turnover by 25%, contributing to improved cash flow and operational efficiency.
