EMPLOYMENT HISTORY

● Surgical Technologist at Hawaii Pacific Health, HI

May 2023 - Present

- Successfully assisted in over 500 surgical procedures annually, ensuring efficient and high-quality patient care at Hawaii Pacific Health.
- Implemented new sterilization protocols that reduced instrument contamination rates by 20%, contributing to improved patient outcomes and reduced infection rates.
- Trained and mentored 10 junior surgical technologists, resulting in increased team efficiency and a 15% reduction in surgical preparation time.

● Surgical Technologist Assistant at Kaiser Permanente Hawaii, HI

Aug 2021 - Mar 2023

- Assisted in over 1,000 successful surgeries, resulting in a 98% patient satisfaction rate at Kaiser Permanente Hawaii.
- Streamlined surgical instrument inventory and sterilization processes, reducing equipment preparation time by 25% and increasing overall efficiency in the operating room.
- Collaborated with a team of surgical technologists to implement a new surgical safety checklist, leading to a 30% reduction in post-operative complications and a 15% decrease in surgical site infections.
- Trained and mentored 10 new surgical technologist assistants, resulting in a 100% pass rate for certification exams and a 5% increase in department productivity.
