## Profile

Transportation professional with 1 year of experience in the industry, showcasing strong abilities in logistics management, route planning, and customer service. Proven track record in efficiently coordinating and managing deliveries while adhering to safety regulations. Committed to ensuring timely and cost-effective transportation solutions, while continuously seeking opportunities for improvement and growth in the field.

## Employment History

**Transportation Manager at Kansas City Transportation Group, KS**  
Feb 2023 - Present

- Successfully reduced transportation costs by 15% in one year by optimizing routes, improving vehicle maintenance schedules, and implementing fuel-efficient driving practices, resulting in annual savings of \$200,000 for Kansas City Transportation Group.
- Streamlined the dispatch process and increased on-time delivery rates to 98% by implementing a new GPS tracking system and real-time communication tools, leading to improved customer satisfaction and a 10% increase in repeat business.
- Developed and executed a comprehensive employee training program that reduced accident rates by 25% and increased overall driver safety, contributing to a decrease in insurance premiums and liability costs for the company.

**Transportation Coordinator at Wichita Transit, KS**  
Sep 2022 - Dec 2022

- Successfully reduced overall transportation costs by 15% through strategic route optimization and efficient resource allocation, resulting in annual savings of over \$500,000 for Wichita Transit.
- Streamlined communication processes between drivers, dispatchers, and passengers, leading to a 20% reduction in customer complaints and a 10% increase in overall customer satisfaction ratings.
- Played a pivotal role in the implementation of a new GPS tracking system that enhanced fleet management capabilities, leading to a 25% reduction in vehicle downtime and a 12% increase in on-time performance metrics.
