EMPLOYMENT HISTORY

● Risk Management Analyst at Idaho State Insurance Fund, ID

Feb 2023 - Present

- Successfully reduced claim losses by 25% within the first year by implementing comprehensive risk management strategies, resulting in \$1.5 million in annual savings for Idaho State Insurance Fund.
- Conducted thorough analysis of over 500 insurance policies and identified potential risks, which led to the introduction of new underwriting guidelines that decreased high-risk exposures by 40%.
- Streamlined risk assessment processes by developing and implementing an automated risk evaluation system, increasing efficiency by 30% and reducing manual errors by 15%.

● Associate Risk Management Analyst at Boise Cascade Company, ID

Sep 2022 - Dec 2022

- Implemented a comprehensive risk assessment framework that reduced operational risks by 25% and improved overall efficiency in risk management processes across the company.
- Conducted thorough data analysis and evaluation of potential risks, resulting in a 30% reduction in financial losses due to risk events and saving the company over \$1 million in potential costs.
- Developed and facilitated risk management training programs for over 100 employees, leading to a 40% increase in risk awareness and contributing to a more proactive risk mitigation culture within Boise Cascade Company.

EDUCATION

Bachelor of Science in Risk Management and Insurance at Boise State University, ID

Sep 2017 - May 2022

Relevant Coursework: Risk Analysis, Insurance Law, Financial Management, Actuarial Science, Loss Prevention, Claims Management, and Business Statistics.
