## EMPLOYMENT HISTORY

### ● Vascular Technologist at Piedmont Healthcare, GA

Mar 2023 - Present

- Successfully conducted over 500 vascular ultrasound examinations within one year, contributing to a 20% increase in patient throughput at Piedmont Healthcare, GA.
- Streamlined the scheduling process for vascular tests by implementing an online booking system, reducing patient wait times by 30% and improving overall patient satisfaction.
- Collaborated with a team of 4 vascular technologists to develop and deliver a comprehensive training program for new staff members, resulting in a 25% reduction in onboarding time and increased team efficiency.
- Identified opportunities for improvement in the vascular imaging department's quality assurance program, leading to a 15% decrease in repeat examinations and a subsequent reduction in patient exposure to unnecessary radiation.

### ● Vascular Technologist Trainee at Wellstar Health System, GA

Jul 2021 - Jan 2023

- Successfully completed over 300 vascular examinations within the first six months of training, maintaining a 95% accuracy rate and contributing to timely diagnosis and treatment for patients.
- Streamlined the documentation process by collaborating with the team to develop a standardized reporting template, reducing report completion time by 20% and improving overall efficiency.
- Assisted in the implementation of a new quality assurance program, resulting in a 15% increase in adherence to established protocols and improved patient care outcomes.
- Received recognition from supervising technologist for exceptional patient care and communication skills, leading to a 10% increase in positive patient feedback and satisfaction.

## EDUCATION

### Associate of Applied Science in Vascular Technology at Georgia Northwestern Technical College, Rome, GA

Sep 2016 - May 2021

Relevant Coursework: Vascular Anatomy and Physiology, Vascular Sonography Techniques, Noninvasive Vascular Testing, Venous and Arterial Duplex Imaging, Vascular Pathophysiology, Patient Care and Management, and Medical Ethics.

## CERTIFICATES

### Registered Vascular Technologist (RVT)

Jul 2021
