

Magdalen Candanosa

Distribution Center Associate

Profile

As a highly motivated Distribution Center Associate with over a year of hands-on experience, I effectively managed and organized inventory while maintaining high levels of accuracy and efficiency. I demonstrated strong adaptability and problem-solving skills in a fast-paced, high-volume environment. My ability to collaborate with team members resulted in streamlined warehouse operations and increased overall productivity. Proficient in operating various types of warehouse equipment and adhering to safety protocols, I played a key role in ensuring the timely and accurate fulfillment of customer orders.

Employment History

Distribution Center Associate at Amazon Distribution Center, IA

Jan 2023 - Present

- Successfully maintained an average pick rate of 350 items per hour, exceeding the company standard of 250 items per hour and contributing to a 40% increase in overall productivity.
- Implemented an innovative sorting method that reduced mis-sorts by 30% and increased throughput by 20%, resulting in improved efficiency and customer satisfaction.
- Trained and mentored 10 new associates, leading to a 25% reduction in onboarding time and ensuring their smooth transition into the fast-paced work environment.
- Collaborated with the management team to identify and address inventory discrepancies, resulting in a 15% reduction in lost or misplaced items and increased accuracy in order fulfillment.

Distribution Center Associate I at Target Distribution Center, IA

Sep 2022 - Nov 2022

- Successfully processed and shipped an average of 10,000 packages daily, contributing to the center's 99.5% on-time delivery rate and ensuring customer satisfaction.
- Implemented a new inventory management system which improved warehouse organization and increased overall efficiency by 15%, reducing errors and product misplacements.
- Collaborated with a team of 20 associates to maintain a clean and safe working environment, resulting in a 40% reduction in workplace accidents and injuries over a one-year period.
- Participated in the training and onboarding of 10 new Distribution Center Associates, leading to a more efficient and cohesive team and reducing the need for additional temporary staffing during peak seasons.
