## EMPLOYMENT HISTORY

### ● Master Woodworker at Alaska Woodcrafters, AK

May 2023 - Present

- Successfully completed the construction and installation of custom-made wooden furniture for over 50 residential and commercial clients, resulting in a 20% increase in company revenue within two years.
- Skillfully designed and handcrafted a unique line of wooden sculptures and home décor items, which were showcased at five local art galleries and generated a 15% increase in new customer inquiries.
- Led a team of five junior woodworkers in the restoration of a historic Alaskan building, completing the project on time and within budget, while preserving its original architectural features and earning recognition from the local heritage society.

### ● Apprentice Woodworker at Anchorage Woodworks, AK

Aug 2022 - Mar 2023

- Successfully completed over 50 custom woodworking projects for clients within the first year of apprenticeship, resulting in a 20% increase in client satisfaction ratings.
- Streamlined the workshop organization and inventory management system, reducing material waste by 15% and increasing overall efficiency by 10%.
- Assisted in the design and construction of a large-scale commercial project, contributing to a 25% increase in company revenue within the first quarter of involvement.
- Implemented new safety protocols and training programs, leading to a 30% reduction in workplace accidents and a safer work environment for all team members.
