

Yulia Ackert

Workforce Development Specialist

Profile

Results-driven Workforce Development Specialist with 2 years of experience in designing and implementing vocational training programs, facilitating skill-building workshops, and forging strategic partnerships. Proficient in assessing labor market trends and identifying skill gaps to tailor effective interventions. Adept at collaborating with diverse stakeholders, fostering an inclusive learning environment, and supporting clients in achieving their career goals. Demonstrated success in leveraging resources and technology to optimize training outcomes and workforce readiness.

Employment History

Workforce Development Specialist at Goodwill of North Georgia, GA

Apr 2023 - Present

- Successfully implemented a new workforce training program, resulting in a 25% increase in job placements for Goodwill of North Georgia clients within six months.
- Developed and maintained partnerships with over 50 local employers, leading to a consistent pipeline of job opportunities for clients and a 30% increase in employer satisfaction rates.
- Streamlined the client intake and assessment process, reducing the average time spent on these tasks by 40%, allowing for more efficient allocation of resources and an additional 100 clients served annually.

Workforce Development Coordinator at Georgia Vocational Rehabilitation Agency, GA

Aug 2021 - Feb 2023

- Successfully implemented a workforce development program that increased employment opportunities for over 500 individuals with disabilities in Georgia, resulting in a 35% increase in successful job placements within the first year.
- Developed and maintained partnerships with over 50 local businesses and organizations, leading to the creation of 200 new job openings specifically tailored for individuals with disabilities, thereby expanding the range of career opportunities available to the target population.
- Organized and facilitated 10 skill-building workshops and training sessions per year, attended by over 300 individuals with disabilities, which led to a 25% increase in participants' confidence in their job-seeking abilities and ultimately contributed to a higher success rate in securing employment.
- Secured \$100,000 in grant funding to support the expansion of the workforce development program, enabling the agency to provide additional resources and services to both job seekers and employers, further enhancing the overall impact of the program on the local community.
